Howard County's Department of Public Works will hold a public meeting on Wednesday, February 28 from 5:00 to 7:00 p.m. in the media center at Hammond High School, 8800 Guilford Road in Columbia, to discuss the planned widening of a portion of Snowden River Parkway. The project will convert Snowden River Parkway from a four-lane roadway to a six-lane urban arterial roadway between Broken Land Parkway and Oakland Mills Road. An eight-foot wide shared-use pathway along both sides of the road is also planned.
